The Center Chorale

Agreement to COVID 19 safety protocols and acknowledgement of risk

I, _____, agree to comply with all of the COVID 19 safety protocols that are required to attend any The Center Chorale in-person choir rehearsals.

I understand the protocols that have been put in place for the fall of 2021 which include required vaccination against Covid19 or 72-hour proof of negative testing, wearing a mask if congregating indoors with a group of more than 3 people CCAE (or other venue), hand sanitizing and possibly physical distancing. Singing will take place in a ventilated rehearsal space, spaced apart, with individual decisions on masking.

I understand that protocols may change over time.

I understand and acknowledge that the protocols that are put in place are necessary public health requirements that are intended to mitigate the risk of COVID transmission, but do not eliminate all risks.

I acknowledge that the safety of all members of the choir, including the artistic director and accompanist, depends on our communal effort to comply with the safety protocols.

I confirm that I am vaccinated for Covid 19. I will **not** attend rehearsals and I will notify our conductor, if any of the following apply to me on the day of rehearsal:

1. I have a fever.
2. I have any of the following signs or symptoms:
cough, sore throat, shortness of breath, decrease in sense of taste or smell, runny nose or sneezing (not allergy related), headache (not a known condition), unexplained fatigue, difficulty swallowing, nausea/vomiting, diarrhea, abdominal pain.
3. I have had close contact with individuals confirmed to have positive diagnosis of COVID-19 in the last 14 days
